

BECOME A SPONSOR, PROMOTE YOUR BUSINESS, AND HELP MAINTAIN YOUR COMMUNITY WEBSITE!

The Prince Henry at Little Bay Community Website and Newsletter are owned and operated by the Prince Henry at Little Bay Community Association. Website funding is subsidised by sponsors, who generally comprise local businesses wishing to engage with the community.

The website was created initially as an information portal for owners and residents. Since going live in November 2012, the subscriber base has grown exponentially.

The website and newsletter audience comprises, in the main, Prince Henry owners and residents, managing agents of Prince Henry’s various apartment blocks and neighbourhood associations, local

politicians and government departments, neighbouring businesses and other interested parties.

Each quarter a newsletter is emailed to subscribers. Readers may subscribe at any time to receive newsletters direct to their inboxes by completing the subscription form at the foot of the [Home page](#). Previous newsletters can be viewed on the [Community news web page](#).

The following schedule contains a list of sponsorship benefits. For \$902 a year (incl GST), your business will enjoy these benefits as well as support the website. Sponsors may update information during their sponsorship term whenever they need to.
